### DOUBLE MURBER Committed by a Ten-Year-Old Boy i

North Carolina. WASHINGTON, Aug. 13.-A special jetch frem Norfolk, Va., says: A ble tale of a double murder comdited by a ten-year-old boy comes from Hollywood township, Pender county, N. C. Frank Powers and his wife went to work in their field, some distance from their house, leaving their children, aged two years and 11 months respectively, at the use of a neighbor named Mills. The ten-year-old son of Mills was loft in charge of the Powers thously that no one noticed their enchildren while the parents were at work. The parents were startled by hearing the terrified shricks of their ildren and hastening back they found me of the child en dead while the other was in mortal agony from several stabs inflicted with a table knife. The ten-year-old youngster who had been left in charge of the murdered hildren stated that he had beat them make them stop crying. One of little one. The wounded habe shortly afterward died.

Hamerox, an aged pensimer, was in which their practice has considerably could be trained) these men would make reagnificent infantry. They display now as much amazing coolness when acting on the defensive as they did in their furious charges of former campaigns.

# CHINESE HIGHBINDERS.

Bitterness of the Vendetta Shown in a Recent Incident. The bitterness of the vendetta of

local Chinese merchants was shown recently in the arrival and warlike preparations of 13 of the most notorious hatchet men in the state. The appearunce of these highbinders and the touncement that the price held upon the heads of Joe Gar and Lee Mce Toy had been increased to \$1,000 caused the greatest excitement in the district. The news spread rapidly and agents of both sides were on the streets, at the polica stations and at the Chinese consulate. It is claimed that the highbinders have been brought to this city by Lee Yip Duck, the Chinese merchant and

gambler, who instigated the expulsion

reciety, and at whose door it place
